

Sheriff Eric S. Higgins

We must be *Community-Focused*. I recognize that it is the community that empowers and entrusts us

to address the safety issues in our community. We must be *Safety-Driven* – not arrest-driven. As Sir Robert Peal has indicated in his principles on policing, arrest data is not an indicator of the effectiveness of a law enforcement agency in addressing safety issues in a community; it is the lack of crime. While arrests will always be a part of what a law enforcement agency does, prevention is the key to a lasting impact on crime and the quality of life experience of a community. Our end-goal is a reduction in crime, not a high prison count. And lastly, our foundation will be *Integrity-Based*. Everything we do must be done with integrity. No exceptions.

CSI Academy

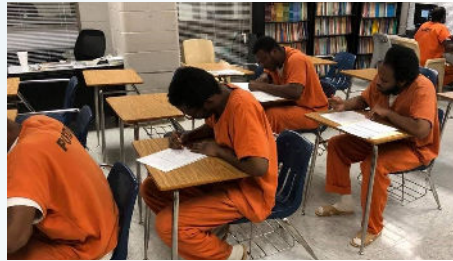

REDUCING RECIDIVISM | REUNITING FAMILIES

Who We Are

CSI Academy is centered inside Arkansas' largest adult detention facility. The Academy offered in The Pulaski County Regional Detention Facility (PCPDF) focuses on recovery, re-entry and peer recovery. The classes teach life -skills to the men and women incarcerated in the detention facility so they have the tools necessary to succeed in society when they are released into our community.

CSI Academy is part of Sheriff Eric S. Higgins' overall "CSI" mission to be Community-focused, Safety-driven and Integrity-based.
